Here's what our customers are saying...

"The ease of porting to grid was really awesome. Everything I was able to do just by sitting at home and few clicks

- Yogesh Agrawa

"So far a very pleasant experience. Delivery and porting was fuss free. For \$17.90/month, it definitely satisfies all my mobile needs - 20GB, 120mins, 50sms. If you have a CIS plan, you get additional outgoing mins. Definitely a steal with the no contract option.
