At **NOOCC Eye Centre**,
we provide you with the holistic
eye care that you & your family need.

Routine **comprehensive eye examinations** are essential to
monitor your visual health and seek **prompt intervention**.

A **healthy visual system** is necessary to carry out your
daily activities. It enhances your **work performance**,
productivity as well as **personal safety**.

What is involved?

1. **Checking your eye power in detail** (how well can you see)
2. **Assessing your eye coordination**: to ensure that your two eyes are working together well as a team.
3. **Examining your eye health**: we screen for common eye conditions such as floaters, cataract, glaucoma, diabetic/high blood pressure/high cholesterol eye diseases & age-related macular degeneration. Some of these eye conditions can permanently impair your vision.

MOE staff members are eligible to a special fee
at **\$133 per pax**, for a comprehensive eye exam at
NOOCC. (UP: **\$166 per pax**). A savings of **\$33**
per pax. Valid till **21 March 2022**. T&C apply.
