1

'BE A CHANGI SUSTAINABILITY CHAMPION'

12-20 MARCH (2.30 - 5.30PM)

\$28 per Adult / \$48 per Child

In an enriching half-day holiday programme by Changi Experience Studio, embark on a fun and educational Changi Sustainability Quest with your kids and bond as a family while learning about the airport's green efforts which you never knew! Go on a fun trail across Jewel and T3 to hunt for fascinating green facts, and discover environmentally friendly features and airport touchpoints that feature eco-friendly practices. Cap off the exciting day by unleashing your creativity in a unique 'Hapa Zome' (Japanese floral printmaking) parent-child craft workshop, where parent and child can jointly create a bespoke reusable tote bag using flower petals and leaves recycled from the Changi nursery.

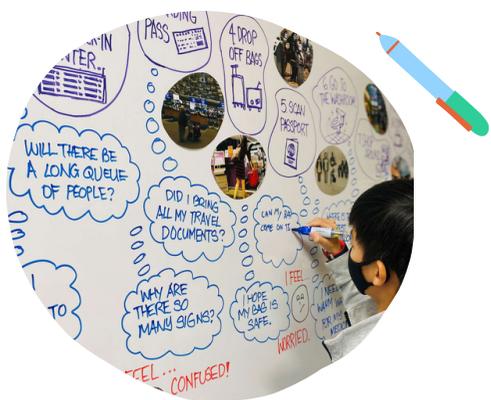

2

"A DAY IN THE LIFE OF A CHANGI TROLLEY" DESIGN THINKING WORKSHOP FOR KIDS

17 & 18 MARCH (2 - 5PM)

\$58 per Child

Dive into the world of design thinking in this highly creative educational workshop, "A Day in the Life of a Changi Trolley", which will hone your child's creative problem-solving skills! Through fun interactive activities, young minds will learn the key elements of design thinking – from empathising with users to identifying their needs and defining the problem statement... letting their imagination run wild with ideas... to creating prototypes of the airport of the future might look like! The best part is, they will be having fun while learning how to create user-centric solutions, and acquiring valuable mindsets that will help them in their growth journey.
