Post Cleanser Step 2

This Lactic Acid (mini) chemical peel gently sloughs away dead skin cells, prevents buildup and clarifies skin, leaving it primed and optimised to receive the full benefits of the subsequent skincare steps. With daily use, your skin appears plumper, and take on a youthful glow.

Chemical peel without the doctor.

#2 Cleanser Anti-hairloss

Advanced shampoo formula incorporating the latest developments in cell regeneration to help prevent hair loss, then goes one step further to stimulate regrowth. Hair looks fuller day after day, regains a glossy healthy bounce.

Toner Brightening

Using high concentrations of two types of stable Vitamin C, our treatment toner is perfect for addressing uneven skin tone, and to effectively fade hyperpigmentation caused by UV damage.
