

15% OFF FOR MOE STAFF

Sunday 26 Feb and 5 Mar, 11am and 2pm performances

To kick off our 2023 season, The Little Company is excited to bring you a highly entertaining play filled with surprises and with learning at its heart. *Fly High* will spark children's imaginations through the wonders of aviation and by making STEM fun through music, puppetry and interactivity.

Poppy and Mo have a wild idea – they are going to try and build their very own flying machine, although they do not know how yet. Imbued with a growth mindset, come watch their idea take flight through their creativity, teamwork and grit.
