Celebrate Father's Day in the Park

A Gift Dad-icated to Him

There is no better place to be than Hotel Fort Canning with our specially crafted menu to celebrate a day dedicated to Dad. Treat him to a 3-Course lunch or family-style dinner at The Salon, nestled within a serene park.

From breaded chicken salad paired with Asian mango salad drizzled in chili oil, to red snapper served with root vegetables and savoury bonito flakes, and pistachio cake complemented by a tangy raspberry confit and a creamy pistachio ganache, it is sure to impress and satisfy Dad.
