

Celebrating the warmth of togetherness this Mid-Autumn Festival

A symbol of reunion, savour cherished tradition with your loved ones over an exquisite ensemble of traditional baked mooncakes and snow skin gems. Paying homage to the essence of an 'Exceptionally Singapore', a duo of newly debuted traditional baked flavours brimming with the allure of floral splendour, from the nutty rendition embodying the sweet, fragrant hint of orchid with the hotel's exclusive Exceptionally Singapore tea blend, to a tropical infusion that marries the tart and fruity flavours of hibiscus with coconut flakes. Fruity creations will take centre stage this season for the snow skin collection, alongside a combination of tea-infused delights.
