

# Your Eye Health is our Priority

**NOOCC EYE CENTRE**

**NOOCC EYE CENTRE** provides you with comprehensive eye care that you & your family need.

**Routine comprehensive eye health checks** are essential to monitor your visual health and seek prompt intervention.

A healthy visual system is necessary to carry out your daily activities. It enhances your **work performance, productivity** as well as **personal safety**.

## What is involved?

### 1. **Checking your eye power in detail.**

(how well can you see)

### 2. **Assessing your eye coordination.**

(to ensure that your two eyes are working together well as a team).

### 3. **Examining your eye health.**

(to screen for common eye conditions such as corneal abrasion, floaters, cataract, glaucoma, diabetic/high blood pressure/high cholesterol eye diseases and age-related macular degeneration. Some of these eye conditions can permanently impair your vision.
